## Notable features:

A row of rundown buildings including a house inserted between garages. Vacant lots 71-80 across, then the rear of a re-cycling center which fronts on Pratt Street and is a visual slum.

Some of the garages may be old stables but the whole is a disaster and should be cleared.

## Environmental context:

See above. Lots (71-80) at 855-873 Lemmon across-street have been cleared and lot 84 at 120 Hayes Street.
